

March 20, 1989

LB 412A, 574A

SENATOR LABEDZ: Senator Coordsen.

SENATOR COORDSEN: Thank you, Madam President. Members of the body, LB 412 was a bill we passed about a month or so ago. It was a committee bill that corrected some language problems and the enforcement thereof in our minimum wage law. And I feel like I must apologize for the size of this A bill because it amounts to \$1,000 for the Department of Labor to print up notices. So I would encourage the advancement of LB 412A but I wish it would have been more money. Thank you.

SPEAKER BARRETT PRESIDING

SPEAKER BARRETT: Any discussion? If not, shall LB 412A be advanced to E & R? All in favor vote aye, opposed nay. Have you all voted? Record, please.

CLERK: 27 ayes, 0 nays, Mr. President, on the advancement of 412A.

SPEAKER BARRETT: LB 412A is advanced. LB 574A.

CLERK: LB 574A by Senator Rogers. (Read title.)

SPEAKER BARRETT: Senator Rogers.

SENATOR ROGERS: Mr. Speaker and members, a relatively small A bill for what this will do for the industry. It's 146,000 for '89-90 and 150,000 for '90-91. I gave some figures when we talked about this bill the last time. Unless someone wants to hear them again, I won't go through them but I had some figures just on a couple of producers in our state and the loss of income and sales tax just from a couple of these operations that have went through pseudorabies would darn near fund this part of the bill. So I ask for the advancement of the bill.

SPEAKER BARRETT: Thank you. Any discussion? If not, the question is the advancement of LB 574A. Those in favor vote aye, opposed nay. Have you all voted? Record.

CLERK: 27 ayes, 0 nays, Mr. President, on the advancement of 574A.

SPEAKER BARRETT: LB 574A is advanced. The Chair would ask your continued indulgence for just a few minutes, if at all
